

Education

Carnegie Mellon University
Pittsburgh, PA
Aug 2016 - May 2020

Bachelor of Design in Communication Design
University + College Honors
Cumulative GPA: 3.80 / 4.00

Experience

Workday
Product Design Intern
May 2019 - Aug 2019

I designed UI flows and internal guidelines for a navigational pattern for Workday's app suite. I also initiated a communication strategy to align and unify design system partnerships across Workday's apps designers, product managers, and developers.

CMU School of Design
Teaching Assistant
Aug 2018 - May 2020

I advised students in Freshmen Studio, Junior Communications Design Studio, and Communications Design for Non-Majors. I provided constructive + nurturing feedback to students and assisted in their setting of personal and professional goals.

Workshops:

Intro to AfterEffects + Illustrator; Working w. Design Systems; Emotional Impacts of Paper and Physical Materials

Woodland Hills District
Visual Designer
Jan 2018 - Jul 2018

I and a multidisciplinary team envisioned design innovations to school transportation. We designed a modular game experience where I led efforts on its visual language, brand identity, and component organization across mobile and print.
