Education

Aug '16 - May '20	Carnegie Mellon University School of Design Pittsburgh, PA	BDes in Communication Design GPA: 3.80/4.00 University + College Honors

Work Experience

July '20 - Now	Duolingo Product Designer Pittsburgh, PA	I'll be contributing to the development and education for Duolingo's emerging design system + other projects.
May '19 - Aug '19	Workday Product Design Intern Pleasanton, CA	I designed UI flows and internal guidelines for a navigational pattern for Workday's app suite. I also initated a communication strategy to align and unify design system partnerships across Workday's apps designers, product managers, and developers.
Aug '18 - May '20	CMU School of Design Teaching Assistant Pittsburgh, CA	I advised students in Freshmen Studio, Junior Communications Design Studio, and Communications Design for Non-Majors. I provided constructive and nurturing feedback to students and assisted in their setting of personal and professional goals. Workshops: Intro to AfterEffects + Illustrator; Working w. Design Systems; Emotional Impacts of Paper

	Skills + Tools	Systems design User experience design Brand strategy Video + audio editing Motion graphics Illustration	Adobe Suite (Ps, Ai, Ae, In, XD, Pr, Au) Figma / Sketch / InVision HTML / CSS / Javascript Typography, iconography, color, content strategy
